Ms. Teague,

I am a member of the Rockwall Breakfast Rotary. Our club has spent the last 2 years getting the Texas Historical Commission to recognize a cemetery here in Rockwall as a "Historic Texas cemetery". The cemetery is located at the corner of Spring Creek Drive and Woodpark Drive in Rockwall.

The name of the cemetery is Gardenhire Cemetery. The official name is "Memorial Park Cemetery aka Gardenhire".

This cemetery is made up of African American Veterans from WWI and WWII essentially.

We have a certificate that we have framed from the Texas Historical Commission that we would like to present to the City at an upcoming Council meeting.

Do you have a date specific for us to attend?

Thank you

2. Discuss and consider a status update from the Rockwall Area Chamber of Commerce regarding Hotel Occupancy Tax ("HOT") funding received from the City and regarding programs offered through the Convention & Visitors Bureau on behalf of the City of Rockwall.

Jodi Willard, Director of Tourism with the Rockwall Area Chamber of Commerce came forth and briefed the Council on various events, conferences and marketing efforts, all of which have been aimed to promote tourism within the City of Rockwall and identifying it as a local travel / visitor destination. She reminded Council that the City of Rockwall recently received the "Texas Tourism Friendly Community" designation, which makes it the fifth in the state to receive this designation. Two recent conferences were held in the City, and they collectively generated over 80 booked hotel room night stays and an estimated overall economic impact of more than \$40,000. Also, four more conferences and one more major sporting event have been secured for Rockwall between now and 2028. In addition, one more conference is in the early stages of evaluation and will also possibly be secured soon. Regional and statewide ad campaigns are ongoing to market Rockwall. "Tour Texas" recently selected Rockwall to be highlighted on its social media during National Travel and Tourism Week. Josh Turner (signer / headliner band) commented on the Chamber's Founder's Day social media post. Various campaigns and efforts continue to focus on highlighting Rockwall as both a meetings and groups destination as well as a leisure tourism destination.

Following her briefing, Councilmember Campbell thanked Mrs. Willard for her report, congratulated her on securing the recent designation and also for securing future conferences and sporting events.

Councilmember Lewis echoed Councilmember's Campbell's sentiments and indicated Ms. Willard is doing a great job.

Ms. Willard shared she is going to begin serving in September on the Board of Directors for the TX Association of Convention & Visitors Bureau, so this will help her represent Rockwall on a statewide level.

Councilmember Thomas asked for clarification on what feedback Ms. Willard gets on visitors who may be returning to Rockwall. Ms. Willard indicated visitors tend to enjoy the restaurants, the lake (the views), and – of course – downtown as well (its walkability). So, we are getting a lot of positive feedback.

Mayor McCallum thanked Ms. Willard extensively for her hard work on promoting Rockwall and working on the 'visitor's bureau' aspects.

No action was taken as a result of her briefing.

Mrs. Smith, City Manager, shared that notifications recently went out by mail to all residents living along Boydston to make them aware of upcoming reconstruction of that roadway. The only address along Boydston that is not residential is the First Baptist Church, and city staff will meet with them soon to discuss timelines and to work around church service times, funerals, events, etc. the church may have planned during reconstruction.

City Engineer, Amy Williams, then briefly shared with Council short details regarding additional, various roadway (re)construction projects that are in progress, upcoming soon, or future-planned. Mayor McCallum thanked Ms. Williams for this report and encouraged citizens to view the report every first Council meeting monthly within the informational city council meeting packet that gets posted online on the city website. Councilmember Lewis thanked Ms. Williams for her report and for staff getting started on Henry M. Chandler, as he has received a lot of comments about that road.

Following the close of the public meeting agenda, at 6:27 p.m. Mayor McCallum then recessed the public meeting to go back into Executive Session. He read aloud the following item that would be discussed:

Discussion regarding (re)appointments to city regulatory boards and commissions, including possible interviews, pursuant to §551.074 (Personnel Matters)

MEMORANDUM

TO: Mary Smith, City Manager

FROM: Amy Williams, P.E., Director of Public Works/City Engineer

DATE: August 18, 2025

SUBJECT: Lift Station Repair

Three lift stations in the City require repair of the electrical panels to prevent sewer overflows from occurring. The panels range in age from 23 years to 27 years. The lift stations that need the electrical repair are the Shores lift station (installed in 2002), Lakeside Village lift station (installed in 2001), and the old Kroger lift station (installed in 1998). Deterioration of the wiring due to hydrogen sulfide gases has caused the electrical panels to lose the integrity and proper temperature regulation when outside temperatures are extreme.

Staff requests the City Council consider authorizing the City Manager to execute a contract with Cummings Electrical, LP for the lift station electrical panel repairs in an amount not to exceed \$153,973.95, to be funded from the Water and Sewer Fund.

CITY OF ROCKWALL
CITY COUNCIL MEMORANDUM

PLANNING AND ZONING DEPARTMENT
385 S. GOLIAD STREET • ROCKWALL, TX 75087
PHONE: (972) 771-7745 • EMAIL: PLANNING@ROCKWALL.COM

TO: Mayor and City Council
DATE: August 18, 2025
APPLICANT: Michael McDonald; *Gentry Estates*
CASE NUMBER: P2025-026; *Final Plat for Lots 1 & 2, Block A, Gentry Addition*

SUMMARY

Consider a request by Michael McDonald of Gentry Estates for the approval of a Final Plat for Lots 1 & 2, Block A, Gentry Addition being a 1.07-acre parcel of land identified as a portion of Lot C, Block 113, B. F. Boydston Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 7 (SF-7) District, addressed as 605 Bost Street, and take any action necessary.

PLAT INFORMATION

- ☑ Purpose. The applicant is requesting the approval of a Final Plat for a 1.07-acre parcel of land [i.e. Lot C, Block 113, Boydston Addition] for the purpose of dedicating and abandoning easements for the future development of the subject property and subdividing one (1) residential lot into two (2) residential lots [i.e. Lots 1 & 2, Block A, Gentry Addition].
- ☑ Background. The subject property was annexed prior to 1934 based on the April 1934 Sanborn Map. According to the City's historic zoning maps, the subject property was zoned Commercial (C) District as of January 3, 1972. Sometime between January 3, 1972 and June 3, 1977, the subject property was rezoned from a Commercial (C) District to a Single-Family 3 (SF-3) District. Based on the May 16, 1983 zoning map, the property was again rezoned from Single-Family 3 (SF-3) District to Single-Family 7 (SF-7) District and has remained zoned Single-Family 7 (SF-7) District to date. According to the Rockwall Central Appraisal District (RCAD), there is currently a 1,432 SF single-family home constructed in 1970 and three (3) accessory structures [i.e. 224 SF, 60 SF, and 30 SF accessory structures] constructed in 1980 situated on the subject property.
- ☑ Parks and Recreation Board. On August 5, 2025, the Parks and Recreation Board reviewed the Final Plat and made the following recommendations concerning the proposed subdivision:
 - (1) The property owner shall pay *Pro-Rata Equipment Fees* of \$606.19 (i.e. \$606.19 x 1 lot = \$606.19).
 - (2) The property owner shall pay *Cash-In-Lieu of Land Fees* of \$709.37 (i.e. \$709.37 x 1 lot = \$709.37).
- ☑ Conformance to the Subdivision Ordinance. The surveyor has completed the majority of the technical revisions requested by staff, and this plat -- conforming to the requirements for plats as stipulated by the Chapter 38, Subdivisions, of the Municipal Code of Ordinances -- is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.
- ☑ Conditional Approval. Conditional approval of this Final Plat by the City Council shall constitute approval subject to the conditions stipulated in the *Conditions of Approval* section below. With the exception of the items listed in the *Conditions of Approval* section of this case memo, this plat is in substantial compliance with the requirements of Chapter 38, Subdivisions, of the Municipal Code of Ordinances.

CONDITIONS OF APPROVAL

If City Council chooses to approve of the Final Plat for Lots 1 & 2, Block A, Gentry Addition, staff would propose the following conditions of approval:

- (1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat; and,
- (2) Any construction resulting from the approval of this Final Plat shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION

On August 12, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the Final Plat by a vote of 6-0, with Commissioner Conway absent.

MEMORANDUM

TO: Rockwall City Council

FROM: Joey Boyd, Assistant City Manager

DATE: August 12, 2025

SUBJECT: Settlement Agreement with Atmos Energy Corp. Mid-Tex Division

The information below is provided by the Atmos Cities Steering Committee Executive Committee and its General Counsel.

BACKGROUND AND SUMMARY

The City, along with 181 other Mid-Texas cities served by Atmos Energy Corporation, Mid-Tex Division (“Atmos Mid-Tex” or “Company”), is a member of the Atmos Cities Steering Committee (“ACSC”). In 2007, ACSC and Atmos Mid-Tex settled a rate application filed by the Company pursuant to Section 104.301 of the Texas Utilities Code for an interim rate adjustment commonly referred to as a GRIP filing (arising out of the Gas Reliability Infrastructure Program legislation). That settlement created a substitute rate review process, referred to as Rate Review Mechanism (“RRM”), as a substitute for future filings under the GRIP statute.

Since 2007, there have been several modifications to the original RRM Tariff. The most recent iteration of an RRM Tariff was reflected in an ordinance adopted by ACSC members in 2018. On or about April 1, 2025, the Company filed a rate request pursuant to the RRM Tariff adopted by ACSC members. The Company claimed that its cost-of-service in a test year ending December 31, 2024, entitled it to additional system-wide revenues of \$245.2 million.

Application of the standards set forth in ACSC's RRM Tariff reduces the Company's request to \$225.6 million, \$163.5 million of which would be applicable to ACSC members. After reviewing the filing and conducting discovery, ACSC's consultants concluded that the system-wide deficiency under the RRM regime should be \$185.6 million instead of the claimed \$245.2 million.

After several settlement meetings, the parties have agreed to settle the case for \$205.6 million. This is a reduction of \$20 million to the Company's initial request. This includes payment of ACSC's expenses. The Effective Date for new rates is October 1, 2025. ACSC members should take action approving the Ordinance before October 1, 2025.

RATE TARIFFS

Atmos generated rate tariffs attached to the Ordinance that will generate \$205.6 million in additional revenues. Atmos also prepared a Proof of Revenues supporting the settlement figures. ACSC consultants have agreed that Atmos' Proof of Revenues is accurate.

BILL IMPACT

The impact of the settlement on average residential rates is an increase of \$7.83 on a monthly basis, or 9.27%. The increase for average commercial usage will be \$25.73 or 6.56%. Atmos provided bill impact comparisons containing these figures.

SUMMARY OF ACSC'S OBJECTION TO THE UTILITIES CODE SECTION 104.301 GRIP PROCESS

ACSC strongly opposed the GRIP process because it constitutes piecemeal ratemaking by ignoring declining expenses and increasing revenues while rewarding the Company for increasing capital investment on an annual basis. The GRIP process does not allow any review of the reasonableness of capital investment and does not allow cities to participate in the Railroad Commission's review of annual GRIP filings or allow recovery of Cities' rate case expenses. The Railroad Commission undertakes a mere administrative review of GRIP filings (instead of a full hearing) and rate increases go into effect without any material adjustments. In ACSC's view, the

GRIP process unfairly raises customers’ rates without any regulatory oversight. In contrast, the RRM process has allowed for a more comprehensive rate review and annual evaluation of expenses and revenues, as well as capital investment.

RRM SAVINGS OVER GRIP

While residents outside municipal limits must pay rates governed by GRIP, there are some cities served by Atmos Mid-Tex that chose to remain under GRIP rather than adopt RRM. Additionally, the City of Dallas adopted a variation of RRM which is referred to as DARR. When new rates become effective on October 1, 2025, ACSC residents will maintain an economic monthly advantage over GRIP and DARR rates.

Comparison to Other Mid-Tex Rates (Residential)

	<u>Average Bill</u>	<u>Compared to RRM Cities</u>
RRM Cities:	\$54.68	-
DARR:	\$58.57	\$3.89
ATM Cities:	\$57.39	\$2.71
Environs:	\$55.96	\$1.28

Note: ATM Cities and Environs rates are as-filed. Also note that DARR uses a test year ending in September rather than December.

EXPLANATION OF “BE IT RESOLVED” PARAGRAPHS:

1. This section approves all findings in the Ordinance.
2. This section adopts the RRM rate tariffs and finds the adoption of the new rates to be just, reasonable, and in the public interest.
3. This section makes it clear that Cities may challenge future costs associated with gas leaks.
4. This section finds that existing rates are unreasonable. Such finding is a necessary predicate to establishment of new rates. The new tariffs will permit Atmos Mid-Tex to recover an additional \$205.6 million on a system-wide basis.

5. This section approves an exhibit that establishes a benchmark for pensions and retiree medical benefits to be used in future rate cases or RRM filings.
6. This section requires the Company to reimburse the City for expenses associated with review of the RRM filing, settlement discussions, and adoption of the Ordinance approving new rate tariffs.
7. This section repeals any resolution or ordinance that is inconsistent with the Ordinance.
8. This section finds that the meeting was conducted in compliance with the Texas Open Meetings Act, Texas Government Code, Chapter 551.
9. This section is a savings clause, which provides that if any section is later found to be unconstitutional or invalid, that finding shall not affect, impair, or invalidate the remaining provisions of this Ordinance. This section further directs that the remaining provisions of the Ordinance are to be interpreted as if the offending section or clause never existed.
10. This section provides for an effective date upon passage.
11. This section directs that a copy of the signed Ordinance be sent to a representative of the Company and legal counsel for ACSC.

CONCLUSION

The Legislature's GRIP process allowed gas utilities to receive annual rate increases associated with capital investments. The RRM process has proven to result in a more efficient and less costly (both from a consumer rate impact perspective and from a ratemaking perspective) than the GRIP process. Given Atmos Mid-Tex's claim that its historic cost of service should entitle it to recover \$245.2 million in additional system-wide revenues, the RRM settlement at \$205.6 million for ACSC members reflects substantial savings to ACSC cities. Settlement at \$205.6 million is fair and reasonable. The ACSC Executive Committee consisting of city employees of 18 ACSC members

urges all ACSC members to pass the Ordinance before October 1, 2025. New rates become effective October 1, 2025.

CITY OF ROCKWALL
ORDINANCE NO. 25-51

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS, APPROVING A NEGOTIATED SETTLEMENT BETWEEN THE ATMOS CITIES STEERING COMMITTEE (“ACSC”) AND ATMOS ENERGY CORP., MID-TEX DIVISION REGARDING THE COMPANY’S 2025 RATE REVIEW MECHANISM FILING; DECLARING EXISTING RATES TO BE UNREASONABLE; ADOPTING TARIFFS THAT REFLECT RATE ADJUSTMENTS CONSISTENT WITH THE NEGOTIATED SETTLEMENT; FINDING THE RATES TO BE SET BY THE ATTACHED SETTLEMENT TARIFFS TO BE JUST AND REASONABLE AND IN THE PUBLIC INTEREST; APPROVING AN ATTACHMENT ESTABLISHING A BENCHMARK FOR PENSIONS AND RETIREE MEDICAL BENEFITS; REQUIRING THE COMPANY TO REIMBURSE ACSC’S REASONABLE RATEMAKING EXPENSES; DETERMINING THAT THIS ORDINANCE WAS PASSED IN ACCORDANCE WITH THE REQUIREMENTS OF THE TEXAS OPEN MEETINGS ACT; ADOPTING A SAVINGS CLAUSE; DECLARING AN EFFECTIVE DATE; AND REQUIRING DELIVERY OF THIS ORDINANCE TO THE COMPANY AND THE ACSC’S LEGAL COUNSEL.

WHEREAS, the City of Rockwall, Texas (“City”) is a gas utility customer of Atmos Energy Corp., Mid-Tex Division (“Atmos Mid-Tex” or “Company”), and a regulatory authority with an interest in the rates, charges, and services of Atmos Mid-Tex; and

WHEREAS, the City is a member of the Atmos Cities Steering Committee (“ACSC”), a coalition of similarly-situated cities served by Atmos Mid-Tex (“ACSC Cities”) that have joined together to facilitate the review of, and response to, natural gas issues affecting rates charged in the Atmos Mid-Tex service area; and

WHEREAS, ACSC and the Company worked collaboratively to develop a Rate Review Mechanism (“RRM”) tariff that allows for an expedited rate review process by ACSC Cities as a substitute to the Gas Reliability Infrastructure Program (“GRIP”) process instituted by the Legislature, and that will establish rates for the ACSC Cities based on the system-wide cost of serving the Atmos Mid-Tex Division; and

WHEREAS, the current RRM tariff was adopted by the City in a rate ordinance in 2018; and

WHEREAS, on about April 1, 2025 Atmos Mid-Tex filed its 2025 RRM rate request with ACSC Cities based on a test year ending December 31, 2024; and

WHEREAS, ACSC coordinated its review of the Atmos Mid-Tex 2025 RRM filing through its Executive Committee, assisted by ACSC’s attorneys and consultants, to resolve issues identified in the Company’s RRM filing; and

WHEREAS, the Executive Committee, as well as ACSC's counsel and consultants, recommend that ACSC Cities approve an increase in base rates for Atmos Mid-Tex of \$205.6 million on a system-wide basis with an Effective Date of October 1, 2025; and

WHEREAS, ACSC agrees that Atmos plant-in-service is reasonable; and

WHEREAS, with the exception of approved plant-in-service, ACSC is not foreclosed from future reasonableness evaluation of costs associated with incidents related to gas leaks; and

WHEREAS, the attached tariffs (Attachment 1) implementing new rates are consistent with the recommendation of the ACSC Executive Committee, are agreed to by the Company, and are just, reasonable, and in the public interest; and

WHEREAS, the settlement agreement sets a new benchmark for pensions and retiree medical benefits (Attachment 2); and

WHEREAS, the RRM Tariff contemplates reimbursement of ACSC's reasonable expenses associated with RRM applications.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROCKWALL, TEXAS:

SECTION 1. That the findings set forth in this Ordinance are hereby in all things approved.

SECTION 2. That, without prejudice to future litigation of any issue identified by ACSC, the City Council finds that the settled amount of an increase in revenues of \$205.6 million on a system-wide basis represents a comprehensive settlement of gas utility rate issues affecting the rates, operations, and services offered by Atmos Mid-Tex within the municipal limits arising from Atmos Mid-Tex's 2025 RRM filing, is in the public interest, and is consistent with the City's authority under Section 103.001 of the Texas Utilities Code.

SECTION 3. That despite finding Atmos Mid-Tex's plant-in-service to be reasonable, ACSC is not foreclosed in future cases from evaluating the reasonableness of costs associated with incidents involving leaks of natural gas.

SECTION 4. That the existing rates for natural gas service provided by Atmos Mid-Tex are unreasonable. The new tariffs attached hereto and incorporated herein as Attachment 1, are just and reasonable, and are designed to allow Atmos Mid-Tex to recover annually an additional \$205.6 million on a system-wide basis, over the amount allowed under currently approved rates. Such tariffs are hereby adopted.

SECTION 5. That the ratemaking treatment for pensions and retiree medical benefits in Atmos Mid-Tex's next RRM filing shall be as set forth on Attachment 2, attached hereto and incorporated herein.

SECTION 6. That Atmos Mid-Tex shall reimburse the reasonable ratemaking expenses of ACSC in processing the Company's 2025 RRM filing.

SECTION 7. That to the extent any resolution or ordinance previously adopted by the Council is inconsistent with this Ordinance, it is hereby repealed.

SECTION 8. That the meeting at which this Ordinance was approved was in all things conducted in strict compliance with the Texas Open Meetings Act, Texas Government Code, Chapter 551.

SECTION 9. That if any one or more sections or clauses of this Ordinance is adjudged to be unconstitutional or invalid, such judgment shall not affect, impair, or invalidate the remaining provisions of this Ordinance, and the remaining provisions of the Ordinance shall be interpreted as if the offending section or clause never existed.

SECTION 10. That consistent with the City Ordinance that established the RRM process, this Ordinance shall become effective from and after its passage with rates authorized by attached tariffs to be effective for bills rendered on or after October 1, 2025.

SECTION 11. That a copy of this Ordinance shall be sent to Atmos Mid-Tex, care of Chris Felan, Vice President of Rates and Regulatory Affairs Mid-Tex Division, Atmos Energy Corporation, 5420 LBJ Freeway, Suite 1862, Dallas, Texas 75240, and to Thomas Brocato, General Counsel to ACSC, at Lloyd Gosselink Rochelle & Townsend, P.C., 816 Congress Avenue, Suite 1900, Austin, Texas 78701.

This tariff is not available to customers with a maximum daily demand of 1,000 MMBtu or greater and a daily/annual load factor of 10% or less. Load factor is calculated as follows: annual usage / (maximum daily connected demand X 365). Load factors will be recalculated once each year to determine appropriate eligibility for Rate T.

Type of Service

Company’s receipt and delivery of all gas quantities under the applicable Transportation Agreement will be on a wholly interruptible basis subject to the Terms and Conditions incorporated in the Transportation Agreement. If Customer is an Industrial Customer, then Customer may elect, at the reasonable discretion of Company, to contract for Plant Protection transportation quantities defined as the minimum natural gas required to prevent physical harm and/or protect critical safety to the plant facilities, plant personnel, or the public when such protection cannot be achieved through the use of an alternate fuel. Where service of the type desired by Customer is not already available at the Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished.

Monthly Rate

Customer’s bill will be calculated by adding the following Customer and MMBtu charges to the amounts and quantities due under the riders listed below:

Charge	Amount
Customer Charge per Meter	\$ 1,848.75 per month
First 0 MMBtu to 1,500 MMBtu	\$ 0.7678 per MMBtu
Next 3,500 MMBtu	\$ 0.5623 per MMBtu
All MMBtu over 5,000 MMBtu	\$ 0.1206 per MMBtu

Upstream Transportation Cost Recovery: Plus an amount for upstream transportation costs in accordance with Part (b) of Rider GCR.

Retention Adjustment: Plus a quantity of gas as calculated in accordance with Rider RA.

Franchise Fee Adjustment: Plus an amount for franchise fees calculated in accordance with Rider FF. Rider FF is only applicable to customers inside the corporate limits of any incorporated municipality.

Tax Adjustment: Plus an amount for tax calculated in accordance with Rider TAX.

Surcharges: Plus an amount for surcharges calculated in accordance with the applicable rider(s).

Imbalance Fees

All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.

Monthly Imbalance Fees

Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest “midpoint” price for the Katy point listed in *Platts Gas Daily* in the table entitled “Daily Price Survey” during such month, for the MMBtu of Customer’s monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer’s receipt quantities for the month.

Overpull Fee

Upon notification by Company of an event of interruption of Customer’s deliveries, Customer will, for each MMBtu delivered in excess of the stated level of interruption, pay Company 200% of the midpoint price for the Katy point listed in *Platts Gas Daily* published for the applicable Gas Day in the table entitled “Daily Price Survey.”

Replacement Index

In the event the “midpoint” or “common” price for the Katy point listed in *Platts Gas Daily* in the table entitled “Daily Price Survey” is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.

Agreement

A transportation agreement is required.

Notice

Service hereunder and the rates for services provided are subject to the orders of regulatory bodies having jurisdiction and to the Company’s Tariff for Gas Service.

Special Conditions

In order to receive service under Rate T, customer must have the type of meter required by Company. Customer must pay Company all costs associated with the acquisition and installation of the meter.

FASB ASC 740-10 (Fin48) Refund

Applicable to Customers taking service under Rate Schedules R – Residential, C – Commercial, I – Industrial and T – Transportation.

To ensure that gas utility customers receive the benefit associated with the changes in the Company’s Uncertain Tax Positions (“UTPs”) arising from recognition of Texas Margin Tax returns.

The decrease shall be calculated as follows:

Beginning with implementation of rates from the negotiated RRM Tariff, and annually thereafter, the portion of UTP liabilities identified in Schedule FIN48-1.1 for the prior fiscal year shall be allocated based on the final class allocations of GUD No. 10170 as per the RRM Tariff, divided by the annual bill count to derive rates to be refunded through Rider SUR in the subsequent fiscal year. Each year’s calculation will include a true-up (+ or -) due to account for over/under collections. Amounts identified in Schedule FIN48-1 shall be adjusted to reflect any audit adjustments received from the Texas Comptroller of Public Accounts.

No action on the part of the Regulatory Authority is required to give effect to the amount to be refunded to customers. However, any amount refunded to customers shall be fully subject to review for reasonableness and accuracy in the gas utility’s next statement of intent proceeding with the Railroad Commission of Texas, and if applicable, the gas utility shall be required to reconcile any discrepancies.

The following refund as authorized in the most recent negotiated RRM Tariff shall be refunded to each Rate Schedules R – Residential, C – Commercial, I – Industrial and T – Transportation customer’s monthly bill in each month for a 12-month period. The refund amount by month by Rate Schedule is shown in the table below:

Application

Applicable to Customers taking service under Rate R, Rate C, Rate I, and Rate T, except for exempt State Agency Customers, to the extent of state gross receipts taxes only.

1. State Gross Receipts Taxes

Applicability - Entire Division except for Unincorporated Areas

Each monthly bill shall be adjusted for Miscellaneous state gross receipts taxes imposed by Sections 182-021 - 182-025 of the Texas Tax Code.

Entire Division

Each monthly bill shall also be adjusted by an amount equivalent to the amount of all applicable taxes and any other governmental impositions, rentals, fees, or charges (except state, county, city, and special district ad valorem taxes and taxes on net income) levied, assessed, or imposed upon or allocated to Company with respect to the Gas Service provided to Customer by Company, and any associated facilities involved in the performance of such Gas Service. Each monthly bill shall also be adjusted by an amount equivalent to the proportionate part of any increase or decrease of any tax and any other governmental imposition, rental, fee, or charge (except state, county, city, and special district ad valorem taxes and taxes on net income) levied, assessed, or imposed subsequent to the effective date of this tariff, upon or allocated to Company's operations, by any new or amended law, ordinance, or contract.

2. Federal or State Tax Law or Rate Changes:

Applicability – All Customers in the Mid-Tex Division (“MTX”) Under the RRM Tariff

Applicable to Customers taking service under Rate R, Rate C, Rate I, and Rate T.

To ensure that gas utility customers receive the benefits or costs associated with the changes in tax rates at a federal or state level, MTX shall establish and accrue on its books and records, as of the effective date of the federal or state tax law or rate change: 1) regulatory liabilities to reflect the impact of a decrease in federal corporate income tax rates or state margin tax rates; or, 2) regulatory assets to reflect the impact of an increase in federal corporate income tax rates or state margin tax rates.

The gas utility may not change rates to give effect to a change in Federal or State Tax law or rates through the Rider TAX unless and until the city issues final authorization, an Accounting Order, or other express guidance authorizing such recovery through the RRM process.

Company may also not change rates to capture the impacts associated with the effects of Public Law 117-169, 136 STAT. 1818 of August 16, 2022 (“Tax Act 2022”) and certain other tax-related costs that will change from the amounts included in the most recent base revenue requirement established through an RRM filing unless and until the city issues a final authorization, an Accounting Order, or other express guidance authorizing such recovery.

Upon receipt of authorization from the city through an Accounting Order, final authorization or other express guidance, the calculation applicable to the aforementioned federal or state tax rate or law changes are as follows; however, to the extent there is a conflict between the calculation or methodology

prescribed by an Accounting Order, final authorization, or other express guidance, and those contained in this rate schedule, the Accounting Order, final authorization, or other express guidance controls:

Calculations

1. With regard to changes in the tax rates at a federal or state level, the increase or decrease shall be calculated as follows:
 - a. A portion of the gas utility's revenue representing the difference between: 1) the cost of service as approved by the Commission or the applicable regulatory authority in the gas utility's most recent statement of intent or other rate proceeding, and 2) the cost of service that would have resulted had the rates been based on the new federal income tax rate (increase or decrease) or state margin taxes (increase or decrease), as of the effective date of the change;
 - b. If applicable, the portion of the gas utility's revenue representing the difference between: 1) each Interim Rate Adjustment surcharge approved by the regulatory authority since the gas utility's most recent statement of intent or other rate proceeding, and 2) each Interim Rate Adjustment surcharge that would have resulted had the surcharges been based on the new federal income tax rate (increase or decrease) or state margin taxes (increase or decrease), as of the effective date of the change; and
 - c. The excess or deficient deferred tax reserve, including any associated gross up in taxes, caused by the reduction or increase in the federal corporate income tax rate or state related tax increases, as of the effective date of the change.

Upon the receipt of authorization from the Commission or applicable regulatory authority, the gas utility shall separately refund to customers based on a decrease in federal or state tax rates or separately collect from customers based on an increase in federal or state tax rates within twelve (12) months or, pursuant to applicable Internal Revenue Code ("IRC") rules and regulations, as follows:

- d. The amount collected/refunded by the gas utility that reflects the difference in base rates between: 1) the cost of service approved by the regulatory authority in the gas utility's most recent statement of intent rate proceeding, and 2) the cost of service that would have resulted had the rates been based upon the new federal or state tax rates, between the effective date of this order and the effective date of the changes.
- e. If applicable, the amount collected/refunded by the gas utility that reflects the difference between: 1) each Interim Rate Adjustment surcharge approved by the Commission or the regulatory authority since the gas utility's most recent statement of intent rate proceeding, and 2) each Interim Rate Adjustment surcharge that would have resulted had the rates been based upon the new federal or state tax rates, between the effective date of this order and the effective date of the changes.
- f. The amount collected/refunded by the gas utility that reflects the difference in the excess or deficient deferred tax reserve included in base rates between: 1) the cost of service approved by the Commission or the regulatory authority in the gas utility's most recent statement of intent rate proceeding, and 2) the cost of service that would have resulted had the rates been based upon the new federal or state tax rates, between the effective date of this order and the effective date of the changes. These amounts shall be refunded or collected from customers based upon IRC rules and regulations if applicable.

2. With regard to the Tax Act 2022 and certain other tax-related costs that will change from the amounts included in the base revenue requirement established through an RRM filing, any change in rates shall be calculated as follows:

- (a) The amount shall be calculated as the product of Company’s grossed-up rate of return authorized in the cost of service as approved by the Commission or the applicable regulatory authority in the gas utility’s most recent statement of intent or other rate proceeding times the Corporate Alternative Minimum Tax deferred tax asset (“CAMT DTA”) estimated at September 30 of the fiscal year or applicable quarter-end within a fiscal year prior to the annual change in the rates pursuant to this tariff, less the income tax credits received in accordance with IRC requirements applicable to the Tax Act 2022 grossed-up for income taxes to a revenue equivalent.
- (b) The estimated CAMT DTA and the related effects on the rider revenue requirements shall be trued up to the actual effects in the following year and the over/under recovery amortized over the twelve months that each year’s recalculated tariff rates are in effect. The over/under recovery shall include a grossed-up rate of return as authorized in Company’s most recent statement of intent or other rate proceeding.
- (c) The methodology for computing Company’s CAMT is as follows:
 - i. Confirm when Atmos Energy Corporation and its affiliates are subject to CAMT as an “applicable corporation” as defined the Tax Act 2022, then there will be MTX’s CAMT DTA in the tariff.
 - ii. Calculate the Mid-Tex Division’s (MTX) contribution to Adjusted Financial Statement Income (“AFSI”) on a stand-alone basis. MTX’s AFSI is calculated by adjusting MTX’s applicable financial statement income by adjustments to depreciation, pension costs and federal income tax to arrive at AFSI. AFSI is intended to be computed consistent with applicable IRC requirements.
 - iii. Compare MTX’s CAMT stand-alone amount with MTX’s regular stand-alone tax liability. If the stand alone CAMT is in excess of the stand-alone regular tax, the CAMT DTA is recorded to MTX.

If the Internal Revenue Service issues new guidance related to the Tax Act 2022, Company shall have the right to make additional filings to recognize such adjustments.

Any Commission filing made to give effect to Federal or State Tax Law or Rate Changes shall be filed within 12-months following the enactment of a tax rate change with the Commission’s Oversight and Safety Division or as part of a Statement of Intent.

Any city filing made to give effect to Federal or State Tax Law or Rate Changes shall be filed within 12-months following the enactment of a tax rate change and addressed to the city official at the address of record with the Mid-Tex Division.

With the exception of the authorization required from the Commission to allow the gas utility to recognize the new federal income tax rate (increase or decrease) or state taxes (increase or decrease) or the impacts associated with the effects of the Tax Act 2022 and certain other tax-related costs that will change from the amounts included in the base revenue requirement in the last approved RRM Tariff filing, no action on the part of the regulatory authority is required to give effect to the amount to be refunded or

Provisions for Adjustment

The Commodity Charge per Ccf (100 cubic feet) for gas service set forth in any Rate Schedules utilized by the cities of the Mid-Tex Division service area for determining normalized winter period revenues shall be adjusted by an amount hereinafter described, which amount is referred to as the "Weather Normalization Adjustment." The Weather Normalization Adjustment shall apply to all temperature sensitive residential and commercial bills based on meters read during the revenue months of November through April. The five regional weather stations are Abilene, Austin, Dallas, Waco, and Wichita Falls.

Computation of Weather Normalization Adjustment

The Weather Normalization Adjustment Factor shall be computed to the nearest one-hundredth cent per Ccf by the following formula:

$$WNAF_i = R_i \frac{(HSF_i \times (NDD-ADD))}{(BL_i + (HSF_i \times ADD))}$$

Where

- i = any particular Rate Schedule or billing classification within any such particular Rate Schedule that contains more than one billing classification
- $WNAF_i$ = Weather Normalization Adjustment Factor for the i^{th} rate schedule or classification expressed in cents per Ccf
- R_i = Commodity Charge rate of temperature sensitive sales for the i^{th} schedule or classification.
- HSF_i = heat sensitive factor for the i^{th} schedule or classification divided by the average bill count in that class
- NDD = billing cycle normal heating degree days calculated as the simple ten-year average of actual heating degree days.
- ADD = billing cycle actual heating degree days.
- BL_i = base load sales for the i^{th} schedule or classification divided by the average bill count in that class

The Weather Normalization Adjustment for the j th customer in i th rate schedule is computed as:

$$WNA_{ij} = WNAF_i \times q_{ij}$$

Where q_{ij} is the relevant sales quantity for the j th customer in i th rate schedule.

APPLICANT: Jim Benson; *Jim Benson Custom Homes, LLC*
CASE NUMBER: Z2025-044; *Specific Use Permit (SUP) for Residential Infill at 5405 Ranger Drive*

SUMMARY

Hold a public hearing to discuss and consider a request by Jim Benson of Jim Benson Custom Homes on behalf of Justine Marengo-Rowe for the approval of a Specific Use Permit (SUP) for *Residential Infill in an Established Subdivision* for the purpose of constructing a single-family home on a 0.1214-acre tract of land identified as a Lot 22, Block B, Chandler's Landing #4 Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 8 (PD-8), addressed as 5405 Ranger Drive, and take any action necessary.

BACKGROUND

The subject property was annexed into the City of Rockwall on October 29, 1973 by *Ordinance No. 73-42 [i.e. Case No. 1973-004]*. At the time of annexation, the property was zoned Agricultural (AG) District. The subject property was rezoned to Planned Development District 8 (PD-8) by *Ordinance No. 73-48* on November 12, 1973. Phase 19 was later amended by *Ordinance No. 85-43* on August 26, 1985. A preliminary plat [*i.e. Case No. PZ1985-045-01*] and a final plat [*i.e. Case No. PZ1985-056-01*] for Phase 19 of the Chandler's Landing Subdivision were approved on July 2, 1985. This established the subject property as Lot 4, Block B, Chandler's Landing, Phase 19. On June 6, 2022, City Council approved *Ordinance No. 22-34 [i.e. Case No. Z2022-021, S-280]* to allow the construction of a single-family home on the subject property; however, work never commenced on the property, and the SUP to expired on June 6, 2023. Currently, the subject property is vacant.

PURPOSE

The applicant -- *Jim Benson of Jim Benson Custom Homes* -- is requesting the approval of a Specific Use Permit (SUP) for the purpose of constructing a single-family home on the subject property in accordance with Subsection 02.03(B)(11), *Residential Infill in or Adjacent to an Established Subdivision*, of Article 04, *Permissible Uses*, of the Unified Development Code (UDC).

ADJACENT LAND USES AND ACCESS

The subject property is addressed as 5405 Ranger Drive. The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property are various parcels of land that make up the remainder of Phase 4 of the Chandler's Landing Subdivision. Beyond this is Phase 18 of the Chandler's Landing Subdivision, which was established on October 1, 1984 and consists of 17 residential lots. North of this is Phase 17 of the Chandler's Landing Subdivision, which was platted on January 15, 1985 and consists of 57 residential lots. All of these subdivisions are zoned Planned Development District 8 (PD-8) for single-family land uses.

South: Directly south of the subject property are two (2) parcels of land (*i.e. 5401 & 5403 Ranger Drive*) developed with single-family homes. Beyond this is Yacht Club Drive, which is identified as a *Minor Collector* on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. South of this is Phase 1 of the Chandler's Landing Subdivision, which was platted on July 9, 1973, and consists of 24 residential lots. All of these properties are zoned Planned Development District 8 (PD-8).

East: Directly east of the subject property are various parcels of land developed with single-family homes. All of these homes are within Phase 2 of the Chandlers Landing Subdivision, which was established on July 9, 1973 and consists of 57 residential lots. This phase of the Chandler's Landing Subdivision is zoned Planned Development District 8 (PD-8) for single-family land uses. Beyond this is Columbia Drive, which is identified as *R2 (i.e. residential, two [2] lane, undivided roadway)* on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

West: Directly west of the subject property is Ranger Drive, which is identified as an *R2 (i.e. residential, [2] lane, undivided roadway)* on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. Beyond this is Yacht Club Drive, which is identified as a *Minor Collector* on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. West of this is Phase 18/Section 2 of the Chandlers Landing Subdivision, which was established on January 23, 1985 and consists of 42 residential lots. This phase of the Chandler's Landing Subdivision is zoned Planned Development District 8 (PD-8) for single-family land uses.

CHARACTERISTICS OF THE REQUEST AND CONFORMANCE TO THE CITY'S CODES

Article 13, *Definitions*, of the Unified Development Code (UDC) defines *Residential Infill in or Adjacent to an Established Subdivision* as “(t)he new development of a single-family home or duplex on an existing vacant or undeveloped parcel of land or the redevelopment of a developed parcel of land for a new single-family home or duplex within an established subdivision that is mostly or entirely built-out.” An *established subdivision* is further defined in Subsection 02.03(B)(11) of Article 04, *Permissible Uses*, of the UDC as “...a subdivision that consists of five (5) or more lots, that is 90% developed, and that has been in existence for more than ten (10) years.” The subject property is part of Phase 4 of the Chandler's Landing Subdivision, which has been in existence since 1985, consists of 24 residential lots, and is considered to be more than 90% developed. The *Permissible Use Charts* contained in Article 04, *Permissible Uses*, of the UDC, requires a Specific Use Permit (SUP) for *Residential Infill in or Adjacent to an Established Subdivision* in all single-family zoning districts, the Two-Family (2F)

District, the Downtown (DT) District, and the Residential-Office (RO) District. This property, being in a Planned Development District for single-family land uses, requires a Specific Use Permit (SUP).

In addition, Subsection 02.03(B)(11) of Article 04, *Permissible Uses*, of the UDC states that, "...the Planning and Zoning Commission and City Council shall consider the proposed size, location, and architecture of the home compared to the existing housing ... [and] (a)ll housing proposed under this section [i.e. *Residential Infill in or Adjacent to an Established Subdivision*] shall be constructed to be architecturally and visually similar or complimentary to the existing housing ...". The following is a summary of observations concerning the housing on Ranger Drive and Yacht Club Drive compared to the house proposed by the applicant:

Housing Design and Characteristics	Existing Housing on Ranger Drive and Yacht Club Drive	Proposed Housing
Building Height	One (1) & Two (2) Story.	Three (3) Story
Building Orientation	Most of the homes are oriented towards their front property line.	The front elevation of the home will face onto Ranger Drive
Year Built	1986-2000	N/A
Building SF on Property	2,051 SF – 7,082 SF	3,644 SF
Building Architecture	Townhomes & Traditional Suburban Residential	Comparable Architecture to the Existing Homes
Building Setbacks:		
Front	The front yard setbacks appear to conform to the required 20-foot front yard setback.	20-Feet
Side	The side yard setbacks appear to conform to the required five (6) foot side yard setback.	0/10-Feet
Rear	The rear yard setbacks appear conform to the required ten (10) feet rear yard setback.	15-Feet
Building Materials	Brick, Hardie Board Siding, and Stone	Combination of Hardie-Board Siding and Stone
Paint and Color	White, Cream, Red, Blue, and Brown	N/A
Roofs	Composite Shingles	Composite Shingle
Driveways/Garages	Driveways are all in the front with the orientations being <i>flat front entry</i> , <i>side entry</i> , and <i>'J' or traditional swing entry</i> .	The garage will be situated three (3) feet, six (6) inches in front of the front of the front façade of the home.

According to Section 04, *Residential Parking*, of Article 06, *Parking and Loading*, of the Unified Development Code (UDC), "(i)n single-family or duplex districts, parking garages must be located at least 20-feet behind the front façade for front entry garages ..." In this case, the applicants proposed garage is oriented six (6) feet, three (3) inches in front of the front façade of the home. Additionally, Subsection 03.01, *General Residential District Standards*, of Article 05, *District Development Standards*, within the Unified Development Code (UDC), specifies that "...all residential structures shall be constructed with a minimum of a 3:12 roof pitch." The proposed elevations, however, indicate a roof pitch of 2:12, which does not comply with the requirements set forth in the UDC. Staff should point out that the applicant is proposing a mansard roof (*i.e. a roof that looks pitched but that plateaus at the top*), and has stated that this is to comply with the height requirements of the Chandler's Landing Codes, Covenants, and Restrictions (CC&Rs). Staff should also point out that since the construction range for housing in this area extends from 1986-2000, the houses already have several garage configurations that would be deemed to be legally non-conforming under the City's current requirements (*i.e. they were conforming when they were constructed; however, due to changes in the code they are no longer conforming and would not be permitted to be built in this configuration today*). A waiver to the garage orientation and the roof pitch is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission. If approved as part of the Specific Use Permit (SUP) request, the City Council, upon recommendation by the Planning and Zoning Commission, will be waiving the garage orientation and roof pitch requirement. With this being said, staff should point out -- *that with the exception of these two deviations--* the proposed single-family home meets all of the density and dimensional requirements stipulated by Planned Development District 8 [*Ordinance No. 85-43*] and the Unified Development Code (UDC).

For the purpose of comparing the proposed home to the existing single-family housing located adjacent to or in the vicinity of the *subject property*, staff has provided photos of the properties along Ranger Drive and Yacht Club Drive and the proposed building elevations in the attached packet.

NOTIFICATIONS

On July 22, 2025, staff mailed 132 notices to property owners and occupants within 500-feet of the subject property. Staff also sent a notice to the Signal Ridge, Signal Ridge Phase 4, the Cabana's at Chandler's Landing, Match Point Townhomes, Cutter Hill, and Chandler's Landing Homeowner's Associations (HOAs), which are the only HOA's or Neighborhood Organizations within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At the time this report was drafted, staff had received ten (10) notices back in favor of the applicant's request.

CONDITIONS OF APPROVAL

If City Council chooses to approve of the applicant's request for a Specific Use Permit (SUP) to construct a single-family home as a Residential Infill within an Established Subdivision, then staff would propose the following conditions of approval:

- (1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the Specific Use Permit (SUP) ordinance and which are detailed as follows:
 - (a) Development of the Subject Property shall generally conform to the Residential Plot Plan as depicted in Exhibit 'B' of the draft ordinance.
 - (b) Construction of a single-family home on the Subject Property shall generally conform to the Building Elevations depicted in Exhibit 'C' of the draft ordinance; and,
 - (c) Once construction of the single-family home has been completed, inspected, and accepted by the City, the Specific Use Permit (SUP) shall expire, and no further action by the property owner shall be required.
- (2) Any construction resulting from the approval of this Specific Use Permit (SUP) shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION

On August 12, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the Specific Use Permit (SUP) by a vote of 6-0, with Commissioner Conway absent.

APPLICANT: Kevin Osornio: *MBA Custom Homes*
CASE NUMBER: Z2025-045; *Specific Use Permit (SUP) for a Residential Infill for 606 Ross Street*

SUMMARY

Hold a public hearing to discuss and consider a request by Kevin Osornio of MBA Custom Homes for the approval of a Specific Use Permit (SUP) for *Residential Infill in an Established Subdivision* for the purpose of constructing a single-family home on a 0.1150-acre tract of land identified as a portion of Lot 1, Block G, Sanger Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 7 (SF-7) District, situated within the Southside Residential Neighborhood Overlay (SRO) District, addressed as 606 Ross Street, and take any action necessary.

BACKGROUND

According to the 1934 Sanborn Maps, the subject property was established after 1934. Per the City's historic zoning maps, the subject property was originally zoned Commercial (C) District as of January 3, 1972. Between this date and July 11, 1985, the subject property was rezoned from a Commercial (C) District to a Single-Family 7 (SF-7) District. The subject property has been situated within the Southside Residential Neighborhood Overlay (SRO) District since its inception on June 3, 1996 by *Ordinance No. 96-12*. According to the Rockwall Central Appraisal District (RCAD), there was a 624 SF structure on the subject property that was constructed in 1975; however, that building was deemed hazardous prompting the Building Inspections Department to issue a Demolition Permit [*i.e. RES2025-1969*] to allow the demolition and removal of the structure. The subject property is currently vacant.

PURPOSE

The applicant - *Kevin Osornio* -- is requesting the approval of a Specific Use Permit (SUP) for the purpose of constructing a single-family home on the subject property in accordance with Subsection 02.03(B)(11), *Residential Infill in or Adjacent to an Established Subdivision*, of Article 04, *Permissible Uses*, of the Unified Development Code (UDC).

ADJACENT LAND USES AND ACCESS

The subject property is addressed as 606 E. Ross Street. The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property E. Ross Street, which is identified as a R2 (*i.e. residential, two [2] lane, undivided roadway*) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. Beyond this is the Robbins Addition, which consists of five (5) residential lots [*i.e. 605, 609, & 725 E. Ross Street and 709 & 715 Peters Colony*] that have been in existence since August 30, 2005. North of this is the Ne & Jo Addition, which consists of two (2) residential lots [*i.e. 703 & 705 Peters Colony*] that have been in existence since March 11, 2004. All of these properties are zoned Single-Family 7 (SF-7) District.

South: Directly south of the subject property is a 0.459-acre parcel of land (*i.e. Lot 2, Block G, Sanger Addition*) that is developed with a house of worship [*i.e. St. Paul African Methodist Church*]. Beyond this is a vacant 0.6660-acre parcel of land [*i.e. Lot E, Block G, Sanger Addition*]. All of these properties are zoned Single-Family 7 (SF-7) District. South of this is E. Bourn Street, which is identified as a R2 (*i.e. residential, two [2] lane, undivided roadway*) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

East: Directly east of the subject property is Lamar Street, which is identified as a R2 (i.e. residential, two [2] lane, undivided roadway) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. Beyond this is the Lamar Street Habitat No. 1 Addition, which consists of two (2) residential lots that have been in existence since March 13, 2018. East of this is a vacant 1.1209-acre parcel of land [i.e. Lot G, Block 112, B.F. Boydston Addition] that is owned by the Rockwall Habitat for Humanity. All of these properties are zoned Single-Family 7 (SF-7) District.

West: Directly west of the subject property are three (3) lots [i.e. 604 E. Ross Street and 801 & 803 Peters Colony] that are developed with single-family homes and are zoned Single-Family 7 (SF-7) District. Beyond this is Peters Colony, which is identified as a R2 (i.e. residential, two [2] lane, undivided roadway) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. West of this is a parcel of land [i.e. Lot 1B, Block H, Sanger Addition] that is developed with a duplex. This parcel of land is owned by the Rockwall Housing Development Corporation and is zoned Multi-Family 14 (MF-14) District.

CHARACTERISTICS OF THE REQUEST AND CONFORMANCE TO THE CITY'S CODES

Article 13, *Definitions*, of the Unified Development Code (UDC) defines *Residential Infill in or Adjacent to an Established Subdivision* as “(t)he new development of a single-family home or duplex on an existing vacant or undeveloped parcel of land or the redevelopment of a developed parcel of land for a new single-family home or duplex within an established subdivision that is mostly or entirely built-out.” An *established subdivision* is further defined in Subsection 02.03(B) (11) of Article 04, *Permissible Uses*, of the UDC as “...a subdivision that consists of five (5) or more lots, that is 90% developed, and that has been in existence for more than ten (10) years.” In this case, the subject property is located within the B. F. Boydston Subdivision, and situated within 500-feet of the Robbins Addition, which has been in existence for more than ten (10) years, consists of more than five (5) residential lots, and is more than 90.00% developed. The *Permissible Use Charts* contained in Article 04, *Permissible Uses*, of the UDC, requires a Specific Use Permit (SUP) for *Residential Infill in or Adjacent to an*

Established Subdivision in all single-family zoning districts, the Two-Family (2F) District, the Downtown (DT) District, and the Residential-Office (RO) District. This property, being adjacent to an established subdivision, requires a Specific Use Permit (SUP).

In addition, Subsection 02.03(B)(11) of Article 04, *Permissible Uses*, of the UDC states that, "...the Planning and Zoning Commission and City Council shall consider the proposed size, location, and architecture of the home compared to the existing housing ... [and] (a)ll housing proposed under this section [i.e. *Residential Infill in or Adjacent to an Established Subdivision*] shall be constructed to be architecturally and visually similar or complimentary to the existing housing ...". The following is a summary of observations concerning the housing within close proximity of E. Ross Street compared to the house proposed by the applicant:

Housing Design and Characteristics	Existing Housing on E. Ross Street in a Close Proximity to the Subject Property	Proposed Housing
Building Height	One (1) Story	Two (2) Story
Building Orientation	All of the homes are oriented toward the street they front on.	The front elevation of the home will face E. Ross Street.
Year Built	1953-2024	N/A
Building SF on Property	942 SF – 2,580 SF	2,120 SF
Building Architecture	Single Family Homes and Three (3) Vacant Lots	Not Comparable Architecture to the surrounding Single-Family Homes
Building Setbacks:		
Front	20-Feet	20-Feet
Side	6- feet	6- Feet, 20-Feet
Rear	10-Feet	10-Feet
Building Materials	Brick, Stone, and Siding	Siding
Paint and Color	Red, Blue, White, Gray and Brown	N/A
Roofs	Composite Shingles	Composite Shingle
Driveways/Garages	Driveways all front the same street the single-family home faces. Homes consist of front-facing garages or no garages.	The garage will be attached and located approximately 6-feet in front of the front façade.

According to Section 04, *Residential Parking*, of Article 06, *Parking and Loading*, of the Unified Development Code (UDC), "(i)n single-family or duplex districts, parking garages must be located at least 20-feet behind the front façade for front entry garages ...". In this case, the applicant's proposed garage is oriented approximately six (6) feet in front of the front façade of the proposed single-family home; however, staff should point out that this is not atypical for this area or properties located within the Southside Neighborhood Residential Overlay (SRO) District. A waiver to the garage orientation is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission. If this Specific Use Permit (SUP) request is approved by the Planning and Zoning Commission and City Council, the garage setback requirement will be waived. With the exception of the garage orientation, the proposed single-family home meets all of the density and dimensional requirements as stipulated by the Unified Development Code (UDC) for a property in a Single-Family 7 (SF-7) District and the Southside Residential Neighborhood Overlay (SRO) District.

For the purpose of comparing the proposed home to the existing single-family housing located adjacent to or in the vicinity of the subject property, staff has provided photos of the properties along E. Ross Street and also provided the proposed building elevations in the attached packet. The approval of this request is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission and a finding that the proposed house will not have a negative impact on the existing subdivision.

NOTIFICATIONS

On July 22, 2025, staff mailed 122 notices to property owners and occupants within 500-feet of the subject property. There were no Homeowners Associations (HOAs) within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At the time this report was drafted, staff had received one (1) notice in favor of the applicant's request.

CONDITIONS OF APPROVAL

If City Council chooses to approve of the applicant's request for a Specific Use Permit (SUP) for *Residential Infill in an Established Subdivision*, then staff would propose the following conditions of approval:

- (1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the Specific Use Permit (SUP) ordinance and which are detailed as follows:
 - (a) Development of the *Subject Property* shall generally conform to the *Residential Plot Plan* as depicted in *Exhibit 'B'* of the draft ordinance.
 - (b) Construction of a single-family home on the *Subject Property* shall generally conform to the *Building Elevations* depicted in *Exhibit 'C'* of the draft ordinance; and,
 - (c) Once construction of the single-family home has been completed, inspected, and accepted by the City, the Specific Use Permit (SUP) shall expire, and no further action by the property owner shall be required.
- (2) Any construction resulting from the approval of this Specific Use Permit (SUP) shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION

On August 12, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the Specific Use Permit (SUP) by a vote of 6-0, with Commissioner Conway absent.

DATE: August 18, 2025
SUBJECT: Z2025-047; *Specific Use Permit for Indoor Commercial Recreation/Amusement*

On August 12, 2025, the Planning and Zoning Commission approved a motion to recommend denial of the Specific Use Permit (SUP) by a vote of 4-2, with Commissioners Roth and Bentley dissenting, and Commissioner Conway absent. A primary reason for the denial of this request was the Planning and Zoning Commission did not feel the amount of information provided by the applicant was sufficient to make a positive recommendation. Based on the recommendation to deny, the applicant -- *Sairong Cheng*-- sent an email to staff, on August 14, 2025, requesting to withdraw *Case No. Z2025-047*. According to the applicant, the purpose of the withdrawal request is to allow the applicant time to resubmit additional information for the case that could better articulate their request and clarify the proposed concept for the Planning and Zoning Commission and City Council. According to Subsection 01.03, *Application Withdrawal*, of the Article 11, *Development Application and Review Procedures*, of the Unified Development Code (UDC), "(i)f an application requires notice to be published in the newspaper and/or notifications of a public hearing sent to affected property owners, such request for withdrawal of an application must be placed on the public hearing agenda and acted upon by the applicable body." This means that the City Council will need to vote on the applicant's request to withdraw the case. Should the City Council have any questions staff will be available at the August 18, 2025 meeting.

Applicant: Sairong Cheng, Joyful Claw, LLC

Dear Planning and Zoning Department,

On behalf of Joyful Claw, LLC, I respectfully request our Specific Use Permit (SUP) application, Project No. Z2025-047 be withdrawn from the Rockwall City Council meeting on Monday, August 18.

This request decision is being made so that we may take additional time to regroup and prepare a complete package for submission to the Planning and Zoning Committee in September. Our intention is to return with more detailed information, enhanced visuals, and supporting materials as part of our revised package and also be available to address any follow up questions from the Planning and Zoning Committee. We believe these additional resources will allow us to more effectively convey that Joyful Claw is a family friendly arcade and entertainment venue, and how this use aligns with and enhances The Harbor retail development.

Thank you for your consideration of this request.

Sincerely,

RE: Zoning Project # Z2025-47 (Joyful Claw SUP)

Honorable City of Rockwall Mayor and Rockwall City Council,

We would respectfully request zoning application Z2025-047 related to a Special Use Permit at 2071 Summer Lee Drive for a new Harbor District tenant, Joyful Claw, be withdrawn from the City Council agenda for voting this coming Monday, August 18. The application from our new tenant at Harbor Village clearly lacked the necessary information to communicate the proposed concept, goals and receive the appropriate feedback and discussion that should be part of a complete and concise submission package.

We would appreciate the opportunity be granted to Joyful Claw to reschedule a meeting with Planning and Zoning at a later date to properly present and be available to answer questions to satisfy any Planning and Zoning concerns.

As always, we appreciate your efforts and ongoing support at The Harbor and respectfully request the withdrawal from Monday's agenda.

Best Regards,

APPLICANT: Sairong Cheng; *Joyful Claw, LLC*
CASE NUMBER: Z2025-047; *Specific Use Permit (SUP) for Indoor Commercial Amusement/Recreation*

SUMMARY

Hold a public hearing to discuss and consider a request by Sairong Cheng of Joyful Claw, LLC on behalf of Jeff Carter of PA Harbor Retail, LLC for the approval of a Specific Use Permit (SUP) for *Indoor Commercial Amusement/Recreation* on a portion of a 12.89-acre parcel of land identified as Lot 8, Block A, the Harbor-Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 7 (PD-7) for limited General Retail (GR) District land uses, addressed as 2071 Summer Lee Drive, Suite R103, and take any action necessary.

BACKGROUND

The subject property was annexed by the City Council on October 29, 1973 by *Ordinance No. 73-40 [Case No. A1973-002]*. At the time of annexation, the subject property was zoned Agricultural (AG) District. On November 12, 1973, the City Council approved a zoning change from Agricultural (AG) District to Planned Development District 7 (PD-7) by adopting *Ordinance No. 73-47*. At the time of adoption, the planned development district permitted a combination of neighborhood service, water recreation, single-family, and multi-family land uses. This ordinance was later amended on August 2, 1982 by *Ordinance No. 82-36*, which incorporated a concept plan and expanded the land uses to include a commercial hotel, marina, retail, multi-family, and condominiums. On April 6, 1987, the planned development district was again amended to limit the land uses. This limited set of land uses included office, restaurants, hotel and marina. On December 15, 2003, the City Council approved a site plan for the Harbor, Phase 1. This portion of the development included the retail areas and the *Harbor Fountain*. The Planning and Zoning Commission then approved the site plan for the Hilton Hotel & Resort on February 14, 2006. On March 6, 2017, the City Council approved a subsequent amendment to Planned Development District 7 (PD-7) by adopting *Ordinance No. 17-11 [Case No. Z2017-003]* for the purpose of incorporating a 0.30-acre portion of Lot 7 and all of Lots 3, 4, & 5, Block A, the Harbor-Rockwall Addition into Planned Development District 7 (PD-7). On February 6, 2017, the City Council approved a replat [*Case No. P2017-004*] for lots 8 & 9, Block A, the Harbor-Rockwall Addition. On May 9, 2017, the Planning and Zoning Commission approved a Treescape Plan [*Case No. MIS2017-005*] for a 12.6747-acre tract of land that currently functions as the parking for the Harbor District. Since construction of the development, the subject property (*i.e. Suite R103*) has accommodated a variety of retail and office uses.

PURPOSE

The applicant -- *Sairong Cheng* -- is requesting the approval of a Specific Use Permit (SUP) to allow *Indoor Commercial Amusement/Recreation*, specifically an arcade within the 4,800 SF suite (*i.e. Suite R103*) situated on the subject property.

ADJACENT LAND USES AND ACCESS

The subject property is generally located in Suite R103 on 2071 Summer Lee Drive. The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is a general retail store (*i.e. En Fuego*) located at 2083 Summer Lee Drive, Suite 109. Beyond this is a small fountain at the Harbor and a *restaurant (i.e. Giovanni)* located at 2091 Summer Lee Drive, Suite 111. Beyond that is another *restaurant (i.e. Yuzu Japanese)*. All of these uses are located within the same structure as the subject property, zoned Planned Development 7 (PD-7). Beyond this is a 1.7812-acre

parcel of land (i.e. Lot 6, Block A, The Harbor-Rockwall Addition) zoned Planned Development District 7 (PD-7) and developed with the Harbor Fountain, which is owned and operated by the City of Rockwall.

South: Directly south of the subject property is a restaurant (i.e. *Twisty Treats*) located at 2065 Summer Lee Drive, Suite 103, and a general retail store (i.e. *Stephanie's Creative Space*) located at 2065 Summer Lee Drive, Suite 101. All of these uses are located within the same structure as the subject property, and are zoned Planned Development District 7 (PD-7). Beyond this is an 8.9244-acre parcel of land (i.e. Lot 4, Block A, The Harbor-Rockwall) which is zoned Planned Development District 7 (PD-7) and developed with a hotel (i.e. *Hilton*).

East: Directly east of the subject property is the remainder of Lot 8, Block A, The Harbor-Rockwall Addition, which is zoned Planned Development District 7 (PD-7) and developed with a parking lot. Beyond this is Summer Lee Drive which is classified as a *Minor Collector* on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. Beyond this is the Lago Vista Subdivision, which consists of 92 lots and was incorporated in 1994 and zoned Planned Development District 18 (PD-18) for Single-Family 10 (SF-10) District land uses.

West: Directly west of the subject property is a restaurant (i.e. *Tiffs Treats Bakery*) located at 2071 Summer Lee Drive, Suite 101, and a restaurant (i.e. *The Brass Tap*) located at 2075 Summer Lee Drive. These two (2) uses are located within the same structure as the subject property, and are zoned Planned Development District 7 (PD-7). Beyond this is the corporate limits of the City of Rockwall followed by the Lake Ray Hubbard Takeline.

MAP 1: LOCATION MAP
YELLOW: SUBJECT PROPERTY

CHARACTERISTICS OF THE REQUEST

The proposed *Indoor Commercial Amusement/Recreation* facilities (i.e. *arcade games*) are to be situated within a 4,800 SF suite designated as Suite R103 on the subject property. The applicant has provided a floor plan for the recreational amenity that includes the proposed arcade machines and their locations. These have been provided in the attached packet.

CONFORMANCE WITH THE CITY'S CODES

According to Subsection 02.02(E), *Recreation, Entertainment and Amusement Land Uses*, of Article 13, *Definitions*, of the Unified Development Code (UDC), the proposed land use falls under the definition for *Indoor Commercial Amusement/Recreation* which is defined as "(a)ny enterprise whose main purpose is to provide the general public with a variety of amusing or entertaining activities, including such activities as skating rinks, bowling alleys, video arcades, billiard tables and similar enterprises, but does not include theaters and auditoriums." In addition, according to the *Permissible Use Charts* contained in Article 04, *Permissible Uses*, of the Unified Development Code (UDC), the *Indoor Commercial Amusement/Recreation* land use requires a Specific Use Permit (SUP) in a General Retail (GR) District. The purpose of this requirement is to acknowledge that the *Indoor Commercial Amusement/Recreation* land use is not appropriate within all of the City's General Retail (GR) District, and that the City Council should have discretionary oversight with regard to the establishment of this land use and its potential impacts on surrounding properties.

STAFF ANALYSIS

According to Subsection 02.02, *Specific Use Permits (SUP)*, of Article 11, *Development Applications and Review Procedures*, of the Unified Development Code (UDC), "(t)he purpose of a Specific Use Permit (SUP) is to allow discretionary consideration of certain uses that would typically be considered incompatible within certain locations of a zoning district." In this case, the applicant is requesting to allow an arcade within the subject property. As mentioned earlier this use requires discretionary consideration as it may not be compatible with certain locations within General Retail (GR) Districts throughout the City. According to Subsection 02.03, *Conditional Land Use Standards*, of Article 04, *Permissible Uses*, the *Indoor Commercial Amusement/Recreation* land use has the following exemptions within the conditional land use standards: [1] Skill or coin-operated machines kept in private residences or apartments and used without charge by members of the family or bona fide guests, [2] Skill or coin-operated machines on the premises of religious, charitable, educational or fraternal organizations for the use of members or their guests, and not for private profit, although a charge is made for playing, and [3] Billiard or pool tables on the premises of publicly owned facilities. In this case, the arcade use appears to meet all the conditional land use standards. All that being said, the approval of a Specific Use Permit (SUP) is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission.

OURHOMETOWN VISION 2040 COMPREHENSIVE PLAN

According to the *Land Use Plan* contained in the OURHometown Vision 2040 Comprehensive Plan, the subject property is situated within the *Harbor District*. As one of the primary gateways into the City of Rockwall, the *Harbor District* is envisioned as a pedestrian-oriented, mixed-use district that accommodates residential, non-residential, and public spaces. It is characterized by the "live, work and play" environment offering professional offices, scenic condominiums, a wide array of shopping, dining, entertainment, and recreational opportunities. The *Harbor District* is further intended to serve as a regional commercial hub, providing a distinct alternative to the local, small town shopping experience found in the Downtown Square. The subject property is designated as *Mixed Use* within this district, which is intended to foster walkable, pedestrian-friendly environment that blends multiple land uses. In this case, the proposed *Indoor Commercial Amusement/Recreation* appears to align with the entertainment component envisioned for the Harbor District. With that being said, since this use is permitted only by Specific Use Permit (SUP), it is at the discretion of the Planning and Zoning Commission and City Council if the proposed *Indoor Commercial Amusement/Recreation* meets the *District Strategies* outlined within the OURHometown Vision 2040 Comprehensive Plan; however, it does appear to generally conform with the intent of the existing development and the overall district.

NOTIFICATIONS

On July 22, 2025, staff mailed 69 notices to property owners and occupants within 500-feet of the subject property. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At this time, staff has not received any notices in favor or in opposition of the applicant's request.

CONDITIONS OF APPROVAL

If the City Council chooses to approve the applicant's request for a Specific Use Permit (SUP) for *Indoor Commercial Amusement/Recreation* within a General Retail (GR) District, then staff would propose the following conditions of approval:

- (1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the Specific Use Permit (SUP) ordinance and which are detailed as follows:
 - (a) The development of the *Subject Property* shall generally conform to the Floor Plan as depicted in *Exhibit 'B'* of the SUP ordinance.
- (2) Any construction resulting from the approval of this zoning change shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION

On August 12, 2025, the Planning and Zoning Commission approved a motion to recommend denial of the Specific Use Permit (SUP) by a vote of 4-2, with Commissioners Bentley and Roth dissenting and Commissioner Conway absent. According to Subsection 02.03(G), *Protest of a Zoning Change*, of Article 11, *Development Applications and Review Procedures*, of the Unified Development Code (UDC), if a zoning change "...is recommended for denial by the Planning and Zoning Commission, such zoning change or Specific Use Permit (SUP) shall require a supermajority vote (*i.e. a three-fourths vote of those members present*), with a minimum of four (4) votes in the affirmative required for approval."

DATE: August 18, 2025
APPLICANT: Vance Liles; *MTG Engineers and Surveyors*
CASE NUMBER: P2025-023; *Replat for Lots 1 & 2, Block A, Webb Addition*

SUMMARY

Hold a public hearing to discuss and consider a request by Vance Liles of MTG Engineers and Surveyors on behalf of Rodney D. and Fran Webb for the approval of a Replat for Lots 1 & 2, Block A, Webb Addition being a 0.45-acre parcel of land identified as Lot C, Block 11, Griffith Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 7 (SF-7) District, situated within the Old Town Rockwall (OTR) Historic District, addressed as 507 E. Rusk Street, and take any action necessary.

PLAT INFORMATION

- ☑ Purpose. The applicant is requesting the approval of a Replat for a 0.45-acre tract of land (*i.e. Lot C, Block 11, Griffith Addition*) for the purpose of subdividing the residential lot into two (2) separate residential lots.
- ☑ Background. The subject property was annexed prior to 1934 based on the April 1934 Sanborn Maps. The 2017 *Historic Preservation Resource Survey* states that existing on the subject property is a 1,997 SF single-family home that was constructed in 1894 and is considered *Medium Contributing*. In addition, one (1) accessory structure (*i.e. a detached garage*) was constructed on the property in 1985. According to the City's historic zoning maps, the subject property was zoned Single Family 3 (SF-3) District as of January 3, 1972. This designation changed between January 4, 1972 and May 15, 1983 to a Single-Family 7 (SF-7) District based on the May 16, 1983 zoning map. The property has remained zoned Single Family (SF-7) District since May 16, 1983. On April 10, 2025, the Board of Adjustments (BOA) approved a variance [*Case No. BOA 2025-I-V*] from the zoning requirements to allow a decrease in lot depth from 100 feet to 90.78 feet and to reduce the minimum required lot size of 7,000 SF to 5,500 SF. This approval was necessary to facilitate the approval of this subdivision plat.
- ☑ Public Hearing. This Replat requires a public hearing at both the Planning and Zoning Commission and City Council in accordance with Subsection 015(f) *Additional Requirements for Certain Replats*, of Chapter 212, *Municipal Regulation of Subdivisions and Property Development*, of the Texas Local Government Code.
- ☑ Parks Board. On August 5, 2025, the Parks and Recreation Board reviewed the Replat and made the following recommendations concerning the proposed subdivision:
 - The property owner shall pay *Cash-In-Lieu of Land Fees* of \$709.37 (*i.e. \$709.37 x 1 lots = \$709.37*), and
 - The property owner shall pay *Pro-Rata Equipment* fees of \$606.19 (*i.e. \$606.19 x 1 lots = \$606.19*).
- ☑ Conformance to the Subdivision Ordinance. The surveyor has completed the majority of the technical revisions requested by staff, and this plat -- *conforming to the requirements for plats as stipulated by the Chapter 38, Subdivisions, of the Municipal Code of Ordinances* -- is recommended for conditional approval pending the completion of final technical modifications and submittal requirements.
- ☑ Conditional Approval. Conditional approval of this Replat by the City Council shall constitute approval subject to the conditions stipulated in the *Conditions of Approval* section below. With the exception of the items listed in the *Conditions of Approval* section of this case memo, this plat is in substantial compliance with the requirements of Chapter 38, *Subdivisions*, of the Municipal Code of Ordinances.

CONDITIONS OF APPROVAL

If the City Council chooses to approve the Replat for *Lots 1 & 2, Block A, Webb Addition*, staff would propose the following conditions of approval:

- (1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this plat; and,
- (2) Any construction resulting from the approval of this Replat shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

PLANNING AND ZONING COMMISSION

On August 12, 2025, the Planning and Zoning Commission approved motion to recommend approval of the Replat by a vote of 6-0, with Commissioner Conway absent.

APPLICANT: Ryan Miller; *City of Rockwall*
CASE NUMBER: P2025-025; *Final Plat for Lots 1 & 2, Block A, West Street Addition*

SUMMARY

Hold a public hearing to discuss and consider a request by the City of Rockwall for the approval of an ordinance abandoning public right-of-way and a Final Plat for Lots 1 & 2, Block A, West Street Addition being a 0.73-acre tract of land identified as Lot 2, Block 11, Highwood Addition and a portion Lots 2, 3, & 6, Block A, Original Town of Rockwall Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 10 (SF-10) District and Downtown (DT) District, addressed as 302 Highland Drive and 202 W. Interurban Street, and take any action necessary.

PLAT INFORMATION

- Purpose. The City of Rockwall is requesting the approval of a Final Plat for a 0.73-acre tract of land (i.e. Lot 2, Block 11, Highwood Addition and portions of Lots 2, 3, & 6, Block A, Original Town of Rockwall Addition) for the purpose of abandoning an unimproved public right-of-way that extends from Highland Drive and W. Interurban Street to behind the property at 202 W. Interurban Street and incorporating the abandoned area into the adjacent properties.
- Background. On February 5, 2024, the City Council approved a motion directing staff to proceed with a Right-of-Way Abandonment Program that would abandon certain unimproved rights-of-way in the City of Rockwall, deeding these lands to the adjacent property owners at no cost. The basis of this decision was in accordance with Subsection 311.007, Closing of Street or Alley by Home-Rule Municipality, of Chapter 311, General Provisions Relating to Municipal Streets, of the Texas Transportation Code, which grants a home-rule municipality the power to vacate, abandon, or close a street or alleyway; and, in accordance with Subsection 272.001(b) of the Texas Local Government Code, which provides that land -- including streets or alleys -- owned in fee or used by easement by a political subdivision of the State, may be conveyed, sold or exchanged for less than fair market value with one (1) or more of the abutting property owners who owns the underlying fee. The right-of-way running in between the property at 302 Highland Drive and 202 W. Interurban Street and extending along the northern boundary of 202 W. Interurban Street was originally established prior to September 27, 1861 based on the subdivision plat for the Rockwall Original Town Addition. Subsequent subdivision plats show the right-of-way being the unimproved right-of-way for West

FIGURE 1. 1905 SANBORN MAPS SHOWING THE RIGHT-OF-WAY FOR BRENT STREET (SUBJECT PROPERTY IN RED)

FIGURE 2. 2023 AERIAL IMAGE SHOWING THE UNIMPROVED RIGHT-OF-WAY

Street and an unnamed road later identified as Olive Street (see Figure 1), and -- based on the current condition of the right-of-way -- it was never utilized as a public street or alleyway (see Figure 2). In accordance with the City Council's direction, staff began the process of abandoning this right-of-way on February 28, 2025 by sending the property owners a Letter of Intent (see the attached Letters of Intent). Once all property owners had signed their letters of intent, staff engaged with H. D. Fetty Land Surveyors, LLC to prepare a subdivision plat for the two (2) properties and the abandoned right-of-way.

- ☑ Public Hearing. In accordance with Subsection 272.001(b) of the Texas Local Government Code, the City Council will be required to hold a public hearing on August 18, 2025. In addition, staff advertised the public hearings in the Rockwall Herald Banner in the manner prescribed by Subsection 272.001(a).
- ☑ Conformance to the Subdivision Ordinance. The City's surveyor has completed the majority of the technical revisions requested by staff, and this plat -- conforming to the requirements for plats as stipulated by the Chapter 38, Subdivisions, of the Municipal Code of Ordinances -- is recommended for conditional approval pending the completion of final technical modifications, submittal requirements, and the execution of the attached ordinance and quitclaim deeds. With the exception of the items listed in the Conditions of Approval section of this case memo, this plat is in substantial compliance with the requirements of the Subdivision Ordinance in the Municipal Code of Ordinances.
- ☑ Conditional Approval. Conditional approval of this Final Plat by the City Council shall constitute approval subject to the conditions stipulated in the Conditions of Approval section below.

CONDITIONS OF APPROVAL

If the City Council chooses to approve the Final Plat for Lots 1 & 2, Block A, West Street Addition, staff would propose the following conditions of approval:

- (1) All technical comments from the Engineering, Planning and Fire Departments shall be addressed prior to the filing of this Final Plat; and,
- (2) The Final Plat shall not be filed until after the second reading of the ordinance abandoning the right-of-way.

Ms. Davenport,

I am writing to you on behalf of the City of Rockwall regarding the abandonment of the excess right-of-way along West Street and Olive Street, which is directly adjacent to property owned by Davenport Rental Properties, LLC. As you may be aware, the City of Rockwall has identified several unimproved or underutilized City rights-of-way within our jurisdiction that provide limited to no public benefit. These rights-of-way have been maintained by the City for decades without plans for future improvement. In some cases, adjacent properties have constructed improvements within these rights-of-way, further complicating their potential use by the City.

On February 5, 2024, the City Council approved a motion to direct staff to proceed with the abandonment of these rights-of-way to the adjacent property owners. Following this action, the City has decided to abandon the excess right-of-way along West Street and Olive Street, and we are pleased to offer you the opportunity to acquire this land at no cost. The abandoned of right-of-way encompasses excess right-of-way for West Street and Olive Street. By acquiring this land, you will have the opportunity to expand your property and utilize it according to your needs and preferences. This offer aligns with the City of Rockwall's objective of promoting responsible land use and supporting efficient land utilization within our community.

In order to proceed with this transaction, I kindly request your cooperation in signing the attached Letter of Intent (LOI), acknowledging your acceptance of the abandoned right-of-way. Additionally, by signing this letter, you agree to allow the City of Rockwall to file a subdivision plat, which is necessary to accommodate the acquisition of the abandoned land, and you agree to maintain the acquired land. Please note that should you choose not to allow a subdivision plat to be filed after signing this Letter of Intent (LOI), you acknowledge your responsibility for reimbursing the City for any costs associated with the subdivision plat. If you decide not to acquire the abandoned land, please take note that other adjacent property owners will be given the opportunity to acquire the abandoned land.

Please review the attached map, which outlines the details of the abandonment and the terms and conditions of the Letter of Intent (LOI). Please provide all required information back to the Planning and Zoning Department of the City of Rockwall by no later than April 15, 2025 to proceed with the program. SUBJECT: Southside Residential Neighborhood Overlay (SRO) District

On June 16, 2025, the City Council approved a motion to direct staff to review the Southside Residential Neighborhood Overlay (SRO) District and provide recommendations for updates to the district. This motion was approved by a vote of 6-0, with Council Member Campbell absent. Based on this direction staff has performed a comprehensive review of the overlay district, and has drafted three (3) recommendations that may address the City Council's direction. The following provides background on the district, the current conditions of the district, and detailed explanation of staff's recommendations.

BACKGROUND

The Southside Residential Neighborhood Overlay (SRO) District was adopted by the City Council and consolidated into the *1983 Comprehensive Zoning Ordinance* on June 3, 1996 by *Ordinance No. 96-12 [Case No. PZ1996-030-01]*. This was a City initiated zoning case that came in response to a request from representatives of the Southside Neighborhood, and was formed in conformance with the then newly approved *Neighborhood Preservation Ordinance (Ordinance No. 96-11)*. A copy of the language that was codified into the *1983 Comprehensive Zoning Ordinance* is contained in the attached packet.

On June 7, 2004, the Unified Development Code (UDC) was established by the City Council through *Ordinance No. 04-38*. Under this newly adopted zoning code the *Purpose* and *Other Requirements* sections of the Southside Residential Neighborhood Overlay (SRO) District were shortened (see *attached excerpt from the 2004 Unified Development Code [UDC]*); however, the *Area Requirements* and overall standards of the overlay district remained unchanged.

FIGURE 1. CURRENT BOUNDARY OF THE SRO DISTRICT

In April 2016, the City Council directed staff to initiate amendments to the Southside Residential Neighborhood Overlay (SRO) District for the purpose of removing the City Council's ability to grant land use without a public process or a zoning change. In addition, the process under the original ordinance required special requests to be first brought to the City Council to initiate the request, then taken to the Planning and Zoning Commission for a recommendation, and finally returning to the City Council for action. This was changed to allow a property owner to initiate the request and take the case directly to the Planning and Zoning Commission for recommendation -- *first* -- prior to being brought to the City Council for action. These changes were adopted by the City Council through *Ordinance No. 16-40* on June 6, 2016. No other changes have been made to the district since the adoption of this ordinance. A copy of the current language for the Southside Residential Neighborhood Overlay (SRO) District has been provided in the attached packet.

CURRENT CONDITIONS

Currently, the Southside Residential Neighborhood Overlay (SRO) District consists of 43.95-acres of land that is broken down into 145 tracts or parcels of land. Of the 43.95-acres of land within the district, 33.08-acres or 75.27% is zoned Single-Family 7 (SF-7) District, 4.85-acres or 11.04% is zoned Planned Development District 52 (PD-52) for Heavy Commercial (HC) District land uses, 2.56-acres or 5.82% is zoned Multi-Family 14 (MF-14) District, and 3.46-acres or 7.87% is zoned Commercial (C) District. Of the 145 lots or tracts of land, 28 of these lots or tracts are currently vacant with the majority (*i.e. 21 lots or tracts*) of vacant land being zoned for Single-Family 7 (SF-7) District land uses (*see Table 1 for a complete breakdown of the district*).

ZONING DISTRICT	ACREAGE*	PERCENTAGE	BUILT LOTS	VACANT LOTS	TOTAL LOTS

TOTAL:	43.95	100.00%	117	28	145

NOTES:

* INCLUDES RIGHT-OF-WAY.

All of the property in the Southside Residential Neighborhood Overlay (SRO) District has been platted and are primarily a part of the Canup Addition, the Sanger Addition, the B. F. Boydston Addition, the Ridgell Addition, and the Robbins Addition; however, several smaller one (1) or two (2) lot subdivision plats also exist. The majority of these subdivision plats establish lots that have a 50-foot to 60-foot frontage and a 125-foot to 150-foot depth; however, some of the lots in the district are smaller than these dimensions and are considered to be legally non-conforming. Staff should note that these lots are also considered to be legally non-conforming by the reduced standards established by the SRO district. Staff has included a map of lot frontages and depths in the attached packet.

As of the date of this memorandum, there are 109 existing single-family homes situated within the Southside Residential Neighborhood Overlay (SRO) District. These homes were constructed between 1920 and 2024, and range in size from 420 SF to 3,748 SF. The market values of these homes -- *according to the Rockwall Central Appraisal District* -- range from \$13,476.00 to \$594,397.00 (*see the maps for year built and value in the attached packet*). Based on these numbers, the average housing size is 1,361 SF and the average value of a home in this area is \$274,805.03.

In 2019, the City Council approved *Ordinance No. 19-32 [Case No. Z2019-016]* creating requirements for *Residential Infill in or Adjacent to an Established Subdivision*. Under these requirements, any new residential homes proposed in the SRO District would require a Specific Use Permit (SUP). *Table 2 -- below --* shows a breakdown of the 12 SUP requests for *Residential Infill* that have been filed since these requirements were adopted by the City Council on September 3, 2019.

NOTES:

* CASES THAT MEET THE CURRENT SRO DISTRICT REQUIREMENTS, BUT DO NOT MEET THE UNDERLYING ZONING REQUIREMENTS.

All of these cases dealt with single-family homes, and all but one (1) of the requests proposed single-family homes that conformed to the square footage requirements of the base zoning district. There have been no changes in the commercially zoned properties in the district in the last five (5) years.

RECOMMENDATIONS

Based on the information collected, staff has the following recommendations concerning the City Council's goals and direction for the Southside Residential Neighborhood Overlay (SRO) District:

- (1) **Recommendation #1.** Adjust the boundaries of the district and remove the commercial properties.

According to the *Purpose* statement for the Southside Residential Neighborhood Overlay (SRO) District, "(t)he purpose of the overlay district is to provide the flexibility necessary for allowing infill and redevelopment of the Southside Neighborhood, while maintaining and protecting the character and integrity of the existing neighborhood." Since the overlay district was primarily established to protect the existing residential land uses, the non-residentially zoned property in the district is effectively only regulated by the base zoning district requirements and the overlay has no effect on these properties. Based on this the overlay district's boundary should be adjusted to remove the non-residentially zoned properties from the district. This would better align the intent of the district with the properties it is intended to regulate. *Figures 2 & 3* below show the current district's boundaries and land use classifications and how the district could be changed in accordance with *Recommendation #1*.

FIGURE 2. CURRENT SRO DISTRICT

FIGURE 3. PROPOSED SRO DISTRICT UNDER RECOMMENDATION #1

NOTE: THE CROSS HATCH ON FIGURES 2 & 3 SHOWS THE NON-RESIDENTIALLY ZONED AREAS WITHIN THE SRO DISTRICT.

- (2) **Recommendation #2.** Remove the reduced standards contained within the overlay district and allow the underlying zoning to regulate the density and dimensional requirements for properties.

When looking at the *Area Requirements* listed in the Southside Residential Neighborhood Overlay (SRO) District, these requirements do *not* appear to deviate much from the base zoning requirements of the Single-Family 7 (SF-7) District (see *Table 3* below).

TABLE 3. ZONING ANALYSIS FOR SRO AND SF-7 DISTRICTS

ZONING REQUIREMENTS	SRO	SF-7	DIFFERENCE
LOT AREA (SF)	5,000	7,000	+2,000
LOT WIDTH (FEET)	50	60	+10
LOT DEPTH (FEET)	100	100	0
DWELLING UNIT SIZE (SF)	900	1,100	+200
FRONT YARD SETBACK	20	20	0
REAR YARD SETBACK	10	10	0
SIDE YARD SETBACK			
INTERNAL	6	6	0
ABUTTING A STREET	15	20	+5
ABUTTING AN ARTERIAL	20	20	0

DISTANCE BETWEEN BUILDINGS	10	10	0
DRIVEWAY LENGTH	20	20	0
LOT COVERAGE	40%	45%	+5%
BUILDING HEIGHT	32	32	0
OFF STREET PARKING REQUIREMENTS	2	2	0

Based on this, the base zoning district appears to be sufficient to regulating the properties in the district. Staff should note, that this will increase the number of legally non-conforming properties in the district in terms of dwelling unit size from 14 (*i.e. lots less than 900 SF*) to 30 (*i.e. lots less than 1,100 SF*); however, this should not affect these properties ability to continue to exist since they will be considered to be legally non-conforming. This will also increase the number of legally non-conforming lots with regard to lot area; however, these are platted lots and will also be considered legally non-conforming. In addition, the overlay district will still retain the ability for property owners to request *Special Requests* from the Planning and Zoning Commission and City Council. This will allow the City Council the ability to vary the density and dimensional requirements in certain circumstances where it is deemed a request will be "...in [the] furtherance of neighborhood preservation and enhancement within the established neighborhood preservation overlay district."

- (3) **Recommendation #3.** Initiate zoning to change the Multi-Family 14 (MF-14) District to Single-Family 7 (SF-7) District to make the zoning more uniform in the overlay district.

In reviewing the area zoned Multi-Family 14 (MF-14) District, staff was able to determine that this area was zoned Multi-Family 1 (MF-1) District since at least January 3, 1972. At some point between June 14, 1983 and July 11, 1985, this designation was changed from a Multi-Family 1 (MF-1) District to a Multi-Family 15 (MF-15) District, and finally changing to a Multi-Family 14 (MF-14) District between December 7, 1993 and April 5, 2005. Currently located within this 2.56-acre zoning district are ten (10) parcels of land with the following land uses: [1] two (2) vacant tracts of land, [2] four (4) single-family homes, [3] two (2) duplexes, [4] one (1) triplex, and [5] Gloria Williams Park/Pool.

Currently, the majority underlying zoning within the Southside Residential Neighborhood Overlay (SRO) District is Single-Family 7 (SF-7) District, which represents a total of 33.08-acres or 75.27% of the total district. In addition, the requirements for the district specifically state that "(a)ny requirements not specifically stated in this section [*i.e. the SRO District*] shall comply with the Single-Family 7 (SF-7) District requirements." If the City Council chooses to move forward with *Recommendations #1 & #2* above it may also be advisable to change the Multi-Family 14 (MF-14) District zoning -- *which currently represents a small portion of the district at 2.56-acres or 5.82% of the district* -- to Single-Family 7 (SF-7) District. This -- *coupled with the changes in Recommendation #1* -- would make the zoning within the overlay district consistent for all properties. Staff should also note, that this recommendation would be consistent with the *Future Land Use Map* contained in the OURHometown Vision 2040 Comprehensive Plan, which currently designates this area for *Medium Density Residential (MDR)* land use.

FIGURE 4. SRO DISTRICT WITH RECOMMENDATION #1

FIGURE 5. PROPOSED SRO DISTRICT AFTER RECOMMENDATIONS #1 & #3

PROCESS AND IMPLEMENTATION

Since any change to the Southside Residential Neighborhood Overlay (SRO) District will require an amendment to *Ordinance No. 96-12* and to the Unified Development Code (UDC), all three (3) recommendations will require a zoning process (*i.e. public and newspaper notices and a recommendation from the Planning and Zoning Commission prior to the City Council taking action on changes*); however, all three (3) recommendations can be achieved in a single ordinance. Attached is a draft ordinance -- *for the City Council's consideration* -- that would implement the recommendations contained within this report. Should the City Council choose to direct staff to proceed with the changes, the schedule for this zoning case would be as follows:

Planning and Zoning Commission Work Session Meeting: August 26, 2025
Planning and Zoning Commission Public Hearing: September 9, 2025
City Council Public Hearing/1st Reading: September 15, 2025
City Council 2nd Reading: October 6, 2025

Should the City Council have any questions concerning the proposal, staff and the City Attorney will be present at the meeting on August 18, 2025.
